3pm Outcomes Afternoon

- 3.30—4.30 Baking Club

3.30 Football Tournament—St Anne's

#### Friday 15th March

Red Nose Day—Wear something red

Dear parents and carers,

### Red Nose Day

### Friday 15th March

Friday is Red Nose Day. To celebrate this important event, we are inviting children to wear something red. Please donate to this worthy cause on our Just Giving page via the link below.

<https://www.justgiving.com/page/louise-boardman-1709798551047?newPage=true>

### Outcomes Afternoon

On Thursday 14th March at 3pm, we are inviting families into classrooms to look at the amazing work our children have produced in their books. It would be lovely to see you all. I know the children are always excited to celebrate with you.

## World Book Day, Mystery Readers and Sharing Books with an Adult

What an amazing day we had on Thursday! We started the day by sharing books with our families and adults from school. Thank you everyone for taking part in the whole event including staff who dressed up as book characters too! It was so lovely to visit all the classes and see reading in action! During the week, we also had visits to some of our classes by a Mystery Reader. Thank you to Valentina's mum, Dax's mum, Ronnie's mum and Robin and Elliot's grandad! The children were absolutely delighted to see you and listen to the stories you shared! We are very lucky here at Styal.

## STYAL STARS OF THE WEEK

Reception: Aaliyah

Year 1: Poppy J

Year 2: Angus

Year 3: Seb

Year 4: Evie

Year 5: Preston

Year 6: Niamh

## Random Acts of Kindness

Izzy has been rewarded for helping a friend with her work. She didn't tell her the answer but supported her to try and get the answer herself. Amazing! Noah helped a friend who had fallen over. What a lovely boy! Daisy was kind too by helping a friend with their World Book Day costume. Olly, Isabella, Flo and Seraphina have also been nominated for clearing litter off the playground. Thank to these children!

## Mrs Boardman Award

I was totally blown away by the level of gymnastics skills shown in Gym Club on Wednesday after school. The children showed me forward rolls and tuck jumps using the trampette to get extra height. They looked like 'real' gymnasts!

## Mr Smith's PE Award

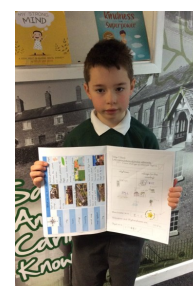

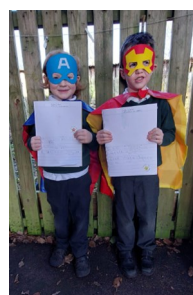

KS1's award went to Aiyla for safely directing a partner around an obstacle course. She showed such great communication skills. KS2's winner was Emily for her motivation and fantastic outcomes week on week. Well done to both girls.

## Football Tournament Success!

Our boys' football team did us proud again on Thursday. They won Nether Alderley 2—1 and drew St Anne's 1—1. Mr Smith was pleased with their attitude, determination and skill.

## Great Work

The children have been creating their own superheroes and writing about the powers they have. Frankie and Taran worked really hard, writing sentences, using finger spaces and sounding out the words. Angus came to show me his exemplary Geography work. Beautifully presented too!

## Cheshire East SEND Partnership

### Parent Drop in sessions

**Is your child on the Autism / ADHD Pathway for  
diagnosis?**

**Would you like information and support whilst on this Pathway?**

Come along to one of our drop-in sessions at Oakenclough Family Hub and meet  
with professionals who can share guidance and support and answer any  
questions you may have...

Professionals from CAMHS, Education, Social Care amongst others will be  
available to signpost and give advice...

#### Where ?

Oakenclough Family Hub  
Colshaw Drive  
Wilmslow  
SK9 2PZ

#### When?

- Thursday 4<sup>th</sup> April 2024 - 9am until 12pm
- Thursday 9<sup>th</sup> May 2024 - 10am-12pm
- Thursday 20<sup>th</sup> June 2024 - 3.30-6.30pm

### Safeguarding

I have worked with governors to produce a Parent, Carer and Visitor Policy. This can be found on our website under Office > Policies. As well as keeping children safe, I also need to ensure staff are treated with respect.

### Forest School

This week in forest school Y3/4 made boats, they used problem solving to find ways to make them float. They used a range of different types of materials that they could find from around the forest and used their knot tying skills to hold it together. They also enjoyed bug hunting this week. They found lots of new bugs and used their maths skills to compare the size and shape of them.

### Attendance

#### Aiming for Above 95%

Winners on Friday of the attendance award was **Reception with 100%.**

**Whole school 93.58%**

**Rec / Y1 100%**

**Y1/2 97.41%**

**Y3 / 4 88.53%**

**Y5 / 6 92.16%**

Unfortunately this week, we failed to achieve our 95% target.

However...Reception class have excelled themselves with 100%! Well done.

Steph Beeston from Cheshire East Attendance Team is continuing to be working with families over the next few weeks to share how she can support

### Year 5 / 6's Amazing Science

As part of Year 5 /6's science topic, they looked at micro-organisms. They looked at the conditions that yeast needs to grow and multiply and watched that happen when making bread. They learnt how useful some microorganisms are.
