Thursday 25th April

Y3 / 4 swimming

Reception forest school

3.30 Boys' football at Pownall Hall School

3.30 Baking Club

Dear parents and carers,

For a small school, I am so proud to say that we perform really well at local sporting events. Our children and staff are so committed and show resilience and confidence. A huge debt of gratitude goes to Mrs Jones and Mr Smith for coaching our children to success!

Netball

We've just had our final netball tournament of the year. The team got silver medals for coming second in our league.

A fantastic result—well done Team Styal!

Football—Top of the League

Styal Boys' football team have won the league! Mr Smith reported that Thursday night's matches were the best he had ever seen them play! Another fantastic result—well done Team Styal! I am so proud of our school.

STYAL STARS OF THE WEEK

Reception: Orla

Year 1: Freya

Year 2: Winter

Year 3: Olly G

Year 4: James

Year 5: Kobe

Year 6: Sophia

Random Acts of Kindness

James, Ben and Cole were awarded a Random Act of Kindness at lunchtime as they all waited patiently, without being asked, for a younger child to move from under the basketball net where they were shooting so they did not get hit by the ball.

Clara and Orla from Reception were nominated by Sophia and Maisie for helping to tidy up Games Maker equipment after the dinner time activity.

We are such a kind school.

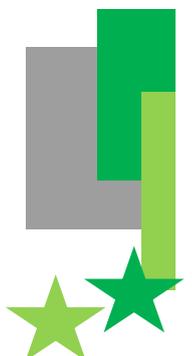

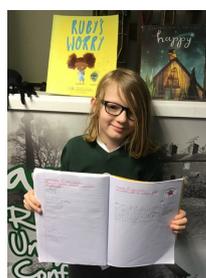

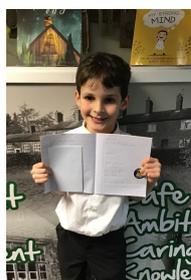

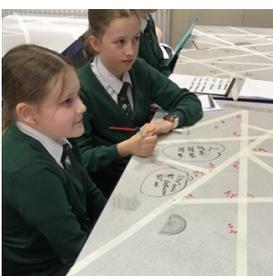

Mrs Boardman's Award

Frankie in Reception produced some wonderful writing with Mrs Jones this week. Mrs Jones and Mrs MacDonald are so proud of his effort. Well done, Frankie.

Great Work

I had the privilege of visiting a Y5 / 6 Maths lesson on Thursday and the progress blew me away! The children were problem solving to such a very high standard. Well done Year 5 / 6. Robin worked really hard this week in his handwriting lesson. He took time to form his double letters and the outcome was beautifully presented. Daisy, Loic and Oscar wrote amazing poems in English about the coastline and seas. The word choices were fantastic!

Bikeability

Year 4 and 5 took part in Bike-a-bility sessions this week. They learnt a range of skills including how to maintain their bike, control it when slowing down, braking and stopping. They also worked on pedalling with increasing control.

Year 5 children progressed to moving passed stationary vehicles, understanding the road and signs and road safety.

The children did so well and were a credit to the school.

Attendance

Aiming for Above 95%

Winners on Friday of the attendance award was

Year 3 / 4 with 94.62%

Whole school 91.13%

Rec / Y1 81.75%

Y1/2 92.96%

Y3 / 4 94.62%

Y5 / 6 90.2%

Steph Beeston, from the Local Authority Attendance Team, will be working with our school again next week. If you need support regarding attendance and punctuality please contact Mrs Boardman. We will be happy to help you.

Aspirations Week—10th—14th June

At Styal, we want to equip our children for the future. We need to provide our children with inspiring and empowering aspirations. We are holding a whole school Aspiration's Week 10th – 14th June where the children will learn about different jobs and the skills required.

WE NEED YOUR HELP!

Would you be willing to come into school to talk to some children about your job/hobby for 30 minutes? Any job/hobby is perfect as long as you are able to talk about it passionately to children and what skills are required. It works well if you have some photos or a practical element to your talk (eg dressing up in a uniform, guessing the job from a bag of resources).

The aim of the week is that our children will be able to articulate what they might like to do in the future. If you think you can help, please email cholliday@styal.cheshire.sch.uk

We can find a day and time to suit you best!
