Styal Primary School- Whole School Curriculum

2021-2022

Cycle A
(KS1 Cycle C)

EYFS

At Styal, our EYFS curriculum provision is a mix of child-initiated and teacher-led with scaffolded learning provided in all areas of the curriculum and environment. We follow themes through the year and our curriculum evolves to suit the needs of all our learners. Children work towards the Early Learning Goals (ELG's). The classroom provides a free-flow system where children are free to make their own choices. Children learn through play based activities of which there is a mix of continuous and enhanced provision. A full review of our EYFS Curriculum Provision can be found under 'Curriculum- EYFS' on our website.
