Wearing Masks on The Green

15th Sep 2020

Difficult times call for difficult decisions - and this is one of them.

Yesterday, a local Wilmslow school had to shut some of its bubbles because of a positive COVID case. Therefore, I have taken the decision to respectfully ask Styal parents / carers to wear masks on The Green (where they are medically able to). I have also asked staff to wear a face shield whilst on The Green—this will allow children to still see their reassuring faces. Our teachers do not wear these in the classroom.

Children DO NOT need to wear face masks.

It is not a decision I have made lightly and is designed to add an extra layer of safety into our already robust routines. Although a difficult decision to do at short notice, it is made easier because it is done for the right reasons—to keep everyone safe. This is an absolute priority—my aim is to keep children safe and to keep our school open.

What is great about our lovely Styal Primary School family is that we work together to help each other. So thank you in advance for your continued support and helping to keep our children safe.
