Dear parents and carers,

### KS1 Bridges

Children in KS1 are learning about bridges and their structures. They went for a walk into Styal woods to spot bridges and decide what type they were.

We saw 3 different bridges, one beam and 2 arch. The children were great at spotting other geographical features too on the way such as the river, the church and the woods.

### Shape Walk

Some of our children went for a shape walk this week and spotted 2d and 3d shapes in the local environment. We are so lucky to be able to use the local area to support and embed the learning in the classroom.

### Parent Consultations—4th and 7th December

Parents are invited to make an appointment with their class teachers to discuss their child. A letter has been sent asking you to log on to Arbor to make an appointment. Appointments are either a face to face appointment on Monday 4th or a remote appointment on Thursday 7th December.

### Open Morning—Wednesday 29th November

Our Open Morning starts at 8.50 and closes at 9.15 so lessons can start. If you have more than one child in school, please start with your youngest child first.

## STYAL STARS OF THE WEEK

Reception: Taran

Year 1: Marta

Year 2: Ben

Year 3: Finn

Year 4: Annabelle

Year 5: Ava

Year 6: Archie

## Random Act of Kindness

Marta was celebrated this week for being a great friend to others whilst on our bridge walk. She also tidied books away after her Phonics lesson.

Seraphina achieved her RAK for letting a friend go in front of her in the line. Well done, girls!

What great friends you are!

## Mr Smith's PE Award

The KS1 certificate this week was awarded to Valentina. Mr Smith said she was motivated in PE lessons and had a great willingness to learn and participate in the activities. In KS2, the award was given to Toby—someone who could get this award every week! He performs to a high standard in all his lessons and is so motivated to improve.

## Mrs Boardman Award

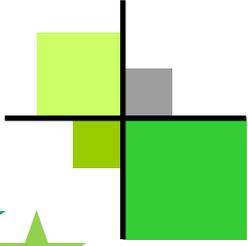

Ben impresses us every day and in every lesson. He is such a good role model to others in his positive attitude to learning, how kind he is and his fantastic behaviour. Well done, Ben—you definitely deserve this award!

## Great Work

I celebrated twice with Valentina this week. She shared her amazing Geography and a book she had written at home called 'The Trapped Princesses'. Amazing! Micah and Stela had also produced work at home too. Stela had written a book called 'A River' based on the class text and Micah had researched the use of henna. Isobel loved sharing her princess writing with me. Oscar was so proud of his independent RE and English work. It was lovely to see him beaming! Isla, Olivia and Zac all achieved Club 99 this week. I am so proud of this fantastic achievement. Well done to all these children! What motivation to learn!

### Safeguarding

At Styal, RSE (Relationships and Sex Education) involves learning about the emotional and physical aspects of growing up and relationships. Under the Education Act (1996), schools must prepare children and young people for the challenges, opportunities and responsibilities of adult life. RSE plays a crucial role in meeting these obligations.

RSE also links strongly to other areas of the curriculum (Science—biological facts, Computing—online safety and cyber bullying, PSHE—staying healthy and safe).

The school's RSE Policy is on our website under 'Statutory Information'.

### Attendance

#### Aiming for Above 95%

Winners on Friday of the attendance award, Attendance Ted, the football pitch and outside gym equipment was won by Year 3 / 4 this week with 95.4%. Well done to Year 3 / 4!

**Whole school 91.82%**

**Rec / Y1 91.53%**

**Y1/2 94.69%**

**Y3 / 4 95.4%**

**Y5 / 6 86.87%**

We have fallen short of our 95% target for whole school attendance this week. However, Year 3 / 4 achieved above 95%. Thank you for your help.
