Monday 15th April

SCHOOL REOPENS

Dear parents and carers,

Parents of Styal's Easter Egg Hunt

Happy Easter everyone! We had a brilliant afternoon, organised by our wonderful POS, hunting for eggs around the playground. All our children had a great time and came away with an Easter Egg or a special treat.

Parents of Styal's Easter Egg Competition

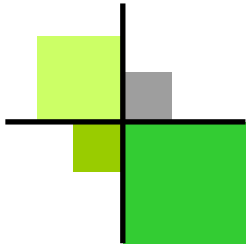

A final reminder for the Easter Egg Competition! Please send in your decorated eggs to your child's class on Monday 25th. Parents of Styal are kindly donating a prize for each year group. Get cracking!

Year 3 / 4 Visit to Science and Industry Museum

Year 3 and 4 went to the Science and Industry Museum earlier this week to learn about the digestive system, different experiments that changed the world and the Revolution of Manchester. They had a great time moving through each part of the digestive system, understanding what happens when our food travels through the body and having different interactive activities to embed their learning!

Year 3 / 4 Outcomes Morning

The Year 3 and 4 outcomes morning was a great opportunity for the children to show everyone what they had been learning about the Vikings. It included naming parts of the Viking ships, writing names using the Viking alphabet and creating pastel drawings of Viking helmets. There were some very impressive drawings created by everyone!

STYAL STARS OF THE WEEK

Reception: Elliot

Year 1: Seraphina

Year 2: Dottie

Year 3: Elsie

Year 4: Kali

Year 5: Autumn

Year 6: Maisie

Random Acts of Kindness

Theo has been nominated for this award by Sophia in Year 6. He helped to put away sport equipment.

Elliot was a kind friend to someone who had fallen over in the playground. How amazing that our Reception children are so caring!

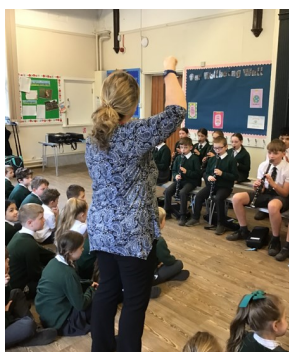

Well done, boys!

Mrs Boardman's Award

Well done to Year 5 / 6 for their fantastic clarinet performance in front of the whole school. I was so proud of their progress over 10 weeks. Thank you to Mrs Howard our Music teacher. Mrs MacDonald said the concert 'made her year' and Isla said it was the 'best thing ever'.

Well done, Year 5 / 6.

Mr Smith's PE Award

The KS1 certificate is for Freya this week for her fantastic team work when having to pick up a hoop with her partner using only skipping ropes.

KS2's certificate is for Archie for his commitment in the activities, and producing an amazing throw to knock down his opponents hoop.

Great Work

Elsie and Freddie have shown they are amazing scientists this week! Peter Rabbit needed a new roof and so the children tested different materials to see which ones were waterproof. The children were so excited to explain the results of their investigation!

Year 3 / 4 Science

Year 3 / 4 had great fun in an engaging Science lesson this week. They learnt all about digestion from teeth chewing food, to food passing through the oesophagus into the stomach and eventually leaving the body! This interactive lesson definitely brought learning to life!

Attendance

Aiming for Above 95%

Winners on Friday of the attendance award was

Year 3 / 4 with 91.04%.

Well done for having a good week Year 3 / 4! You had the best attendance of all the classes!

Red Nose Day

Coding Club

Next term's Coding Club sounds absolutely amazing. Stop motion should be so enjoyable and accessible to all. Please sign up using the link on the flyer below. The club will take place in Year 3 / 4 on Wednesdays and is open to children in Year 2 to Year 6.

Styal Primary School **STOP MOTION ANIMATION** **Afterschool Club**

Starting on week one and working in teams, each group will come up with their own characters (created using plasticine or based on their own Lego characters brought in from home for the sessions), and storyline and work to animate it together before the great unveiling on the final week. Teamwork, creativity, special effects and laughter.

DATES :

17th April - 22nd May

TIME :

3:30-4:30 pm
