Dear parents and carers,

Year 1 / 2's Educational Visit

This week, Year 1 and 2 took a trip to Quarry Bank Mill and The Apprentice House to find out what education was like for children in the past. They had a go at copying letters onto a slate, sit without talking and found out that

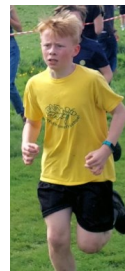

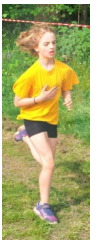

children did very little PE. As you can imagine, most of the children made the decision that they much prefer education nowadays!

Cross Country Team Resilience

Well done to our children who attended the local cross country competition. Mrs Jones was so pleased with them as they all ran really well. They all persevered and we are so proud of them all!

Reception Maths

Reception had fun learning this week. They played a giant game of Snakes and Ladders and practised maths and taking turns.

Random Acts of Kindness

Niamh is always kind. In fact, she stands out. This week she had words of encouragement for a friend at cross country. What a Styal Star!

Mrs Boardman's Award

Evelyn showed pure determination this week. She persevered when things were tricky and really showed everyone her strength. I am so proud of her!

Amazing Maths!

We are really proud of Oscar. He competed in a Maths challenge against children across the country with some very difficult questions. Oscar achieved a silver certificate—well done!

Great Work

Frankie's attitude to learning was great in Phonics this week. Ms Tompkins nominated him for this award for joining in well and great learning behaviours. Mrs Chignell and I were so pleased with the standard of writing in Year 1 / 2. Winter, Isobel, James and Marta all used ambitious word choices and punctuation. Well done to these children too!
