## Great Work

Isaac has impressed his teachers this week with his determination in maths when problem solving using tens and ones. Finn and Seraphina were spotted using really adventurous vocabulary for their opening paragraph of their Old Bear story.

Clara blew us all away with her writing. For someone who has just started in Year 1, Mr Smith could not believe the standard of her work. Her opening paragraph was fantastic!

Isaac has been working on place value, challenging himself by reading and writing numbers to a million.

## Headteacher's Award

This week, our school council have been busy representing our school. They were a credit to Styal and our visitors were extremely complimentary.

Well done and thank you to Ollie, Ayaana, Elsie and Stela.

## Random Acts of Kindness

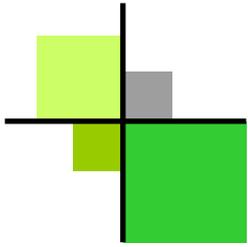

We have had several Random Act of Kindness this week. Roman was nominated because he was super helpful and polite in the hall at lunchtime whilst Emilie held the gate open for her class and let everybody go first.

Isaac let another phonics group pass whilst he held the door open for them and Hugo was kind when saw a friend who needed a little bit of help finding something.

Kindness is our value next week so we look forward to seeing even more Random Acts of Kindness' around school.

Valuing the Individual to Believe and Achieve

Keeping children safe at Styal is a priority. We do this in many ways. Over the last 2 weeks, children have been asked to look out for adults in school wearing a lanyard. They know that we have different colours for different members of the school community and can challenge anyone in school who is **not** wearing one. They also know they have adults in school who can help and we have distributed these colourful posters around school.

The poster features a green header with the school's name and logo. Below is a white speech bubble containing the text: "If you are feeling sad, upset, hurt or scared, you can talk to any member of staff." Three cartoon children are shown with speech bubbles asking: "Are you worried about anything?", "Is something making you unhappy?", and "Is someone being unkind?". At the bottom, two boxes labeled "Your Safeguarding Team" and "Who can help?" introduce three staff members with their photos and roles.

## Styal Primary School's Safeguarding Team

If you are feeling sad, upset, hurt or scared, you can talk to any member of staff.

Are you worried about anything?

Is something making you unhappy?

Is someone being unkind?

**Your Safeguarding Team**

**Who can help?**

			You can talk to your trusted adult. Any adult in school will be there to listen and help you.
