#### Thursday 15th May

Y6 SATS: Maths Paper 3

Cross Country practise 3:30-4:15pm

#### Friday 16th May

It's nearly the weekend!

### Football Tournament ... and a very special guest!

Mr Smith was so very impressed with our Football team this week as they played brilliantly once again in their tournament on Thursday.

The children have shown wonderful sportsmanship in every match they've played and this last one was no different. Incredible effort as always. We are all very proud of you. Their day was also made when Stefan Ortega, goalkeeper for Manchester City, stayed for a photograph with them. What a memory to take away!

### Our incredible Cross Country Runners!

On Wednesday a selection of pupils went to The Carrs to take part in the Wilmslow Schools Cross Country event. All of our boys and girls put in 100% effort and represented the school brilliantly,  
I am proud of them all for competing so well.

## Walk to School Week

19.05.2025 to 23.05.2025

Walk to School Week commences on Monday 19th May 2025 and we actively encourage our families to use this week, and hopefully the glorious sunshine, to walk to/from school throughout this week. Each day has a focus on the different benefits of walking—boosts to our mental and physical health, sustainability, road safety awareness and community.

This year we will be drawing Walk to School Week to a close on our last day of term, Friday 23rd May 2025, with a special **FESTIVAL THEMED WALK** from school to the car park at Quarry Bank Mill.

This walk has been organised by Mrs Sinton and Mrs Chignell. Thank you to you both!

We hope you can join us straight after school to take part.

---

Thursday 8th May was a very special day across the UK as we celebrated the 80th anniversary of Victory in Europe.

In school, the children and team shared a 2 minute silence at 12pm, standing beautifully and reflecting together. We then came together at the end of the school day to discuss the importance of the day. We listened to some Vera Lynn and shared family stories of our incredible relatives who went through so much to better the lives of their children and future generations.

## Headteacher's Award

It was just too difficult to choose between these amazing Paul Klee inspired pieces of art this week. Very well done to both Isla and Isobel for not only taking great time and effort to complete their art work, but for also explaining beautifully how they did it.

Great work Isobel and Isla!

## Message from Mrs Gaulton

Another fabulous week from our wonderful children and team! The sunshine has meant that we have seen some beautiful play outside at break times and lunchtimes, with lots of fun and laughter.

Our attendance has been much improved this week across school too — well done everyone. Let's keep the momentum going!

We have seen super Art work and Writing across school and in Reception some pattern making, exploring ice, paint mixing and some lovely VE day flag making.

Robin and Maisie have also achieved their Club 99 certificates and badges this week too—super maths work! We also shared some lovely reflection time together as we gathered to commemorate VE Day on Thursday.

We must not forget our Y6 children who come back after the weekend to their SATS tests. They have all worked incredibly hard and we know they will do amazingly well.

Keep going Y6, you're nearly there! We're so proud of you!

Wishing you all a wonderful weekend—enjoy the sunshine!
