Headteacher's Award

A huge congratulations to Cole this week for achieving the Headteacher's Award.

Throughout the week, each time I have observed Cole in the school grounds or as we have passed in the corridor he has consistently shown how polite, kind and thoughtful he is and he ALWAYS greets people with a lovely smile.

Well deserved.

Message from Mrs Gaulton

This week we have celebrated our school valuer of being Unique thinking about the many different things that make each and every one of us so special. We

have also worked on understanding and thinking carefully about what our behaviour expectations are; not just in terms of the expectations we as a team expect from the children but also the behaviour and attitudes the children expect from each other. The children have made some thoughtful and sensible contributions to discussion this week. Well done.

We have been fortunate enough to have great fun in Forest School this week and some of our children tried their hand at golf at a Tri-golf tournament. A huge well done to our netball players too who did Styal Primary School proud at WHS on Tuesday night. Thank you to all our staff team who have supported the children in these events.

We also welcomed our new families into school on Thursday evening as we prepare for our new Reception children starting with us in September. It was lovely to see some new and familiar faces!

Another busy week for us. Enjoy the weekend everyone!

Random Acts of Kindness

Well done to Dax and Devon this week for showing kindness and care to children and adults in school.
