### Headteacher's Award

Well done to William this week for a great week all round. It has been a pleasure to observe William enjoying his learning and play and working well with others. He's also been incredibly helpful in school this week too.

Very well done William!

### Message from Mrs Gaulton

This week we have been celebrating our kindness , of which there is an abundance of in our school. Each day we see wonderful examples of kindness from our children to staff and to one another, from the team to each other and the children and this week especially the kindness of our

families who have given so much time, energy and thought to planning and organising our wonderful Summer Fair. Such kind donations too for prizes.

Thank you! What an incredible afternoon.

Don't forget that you can continue to support school by attending our community day tomorrow from 12pm. Please come and help us with painting gardening and general tidying!

As we approach the end of term we look forward to seeing you at our Sports Day next Tuesday - lets hope the weather is kind to us as it has been today for the Fair!

Wishing you all a restful and enjoyable weekend!
