New Parent Information

Dear parents and carers,

‘Valuing the individual to believe and achieve’

WELCOME MESSAGE

I am delighted to be able to share with you all the wonderful things Styal Primary School has to offer and welcome you as a member of our school community. I hope that you find the following prospectus informative and that you and your child will play a part in our continued success.

Styal Primary School is situated in a picturesque village, uniquely located in the National Trust estate of Quarry Bank Mill which offers the school an incredible backdrop. Our small school comprises of both Victorian and new buildings and we make excellent use of the surrounding area with our large forest school. In addition, we have a school field, a trim trail and sports shed for equipment to make play times fun!

The school has a strong family-like atmosphere which is evident as soon as you walk through the door. The staff, governors, parents and children work together with passion and positivity and the school is embraced by our whole community.

We are proud to be an inclusive school and make it our aim to get to know our pupils well. We value each child as an individual and are extremely proud of our warm, caring ethos. We are committed to providing an educational experience that develops the whole child as well as delivering academic success. All staff work hard to maintain a happy and safe school where children are encouraged to be enthusiastic, active, life long learners.

'Valuing the individual to believe and achieve'

WELCOME MESSAGE

The school is committed to providing an ambitious curriculum that excites children's curiosity. Enjoyment is key and so exciting, stimulating activities ensure high levels of engagement. All children are supported and challenged with high expectations for all so children reach or exceed their potential. We inspire our children to be their personal best and ensure children are confident, tolerant and successful citizens.

We keep parents informed of their children's progress and the life and work of the school. We place emphasis on staff, governors, children and parents working together to fulfil the aims of the school and continue the school's ethos. Parents are encouraged to work with the school, to take an active interest in their child's education and become involved in school life. The school believes all parents have an invaluable role to play in facilitating their child's education.

Our school is remarkable where we value children as individuals, recognising individual skills, interests and needs so that each child can 'believe and achieve'.

If you wish to discuss any aspects of the school, please do not hesitate to contact me. I look forward to meeting you and your child.

THE SCHOOL DAY

The whistle is blown on the playground for children in Year 1 / 2, Year 3 / 4 and Year 5 / 6.

All children line up in their classes and then walk into school with their class teacher.

10.30-Morning break time

12.00– 1.00 Lunchtime

2.15 - 2.30 Afternoon play time with fruit break for Key Stage 1

3.25 -School finishes for Reception and Year 1 class.

3.30 - School finishes for Year 1 - Year 6

RECEPTION—SETTLING IN

We would like to help the children settle as quickly as possible each morning. In our experience, this is best achieved when parents support the teacher by leaving once your child is settled.

For the first two weeks, Reception children can be brought into the outdoor area in the morning to find their peg and put their book bags away. Parents can support the children finding their names on the table in the classroom. Parents are encouraged to leave at this point.

We ask all parents to pick up children from outside the Reception class gate. Your child will stay behind the gate, in the outside area, until their parent is spotted by a staff member. If someone else is picking up your child, please let the office or class teacher know. Children should be picked up promptly at 3.25pm. For their safety, please escort your child along the cobbles to the car park and remind them not to play between the cars as it is very busy.

PARKING

For the safety of everyone, parents and carers are encouraged to use the free parking facility at Quarry Bank Mill and take the short walk to school. Please be aware that parking along Altrincham Road is very limited due to the yellow lines. Please do not park in front of the wooden gates of the residents' car park as they require access to their vehicles at all times.

The National Trust asks us to remind you that the cottages near school are occupied and to respect the privacy of the residents. Parents **should not** drive up the cobbled road towards school and park their car. Please **do not** park on the lay-by next to the stone cross near the church. Emergency vehicle access is required at all times.

ABSENCE AND ATTENDANCE

At Styal Primary School we work in partnership with parents to ensure that children regularly attend school to ensure maximum benefit from the education we provide. Punctual attendance is regarded highly and forms an important aspect of a child's all round social development.

If your child is ill, please contact the office. Please leave a message on the answer phone no later than 9.00am. Some medical appointments may have to be in school time. If you know in advance that your child is going to be absent from school or, please let the office know the reason.

Legislation does not give any entitlement to parents to take their child on holiday during term time. Any application for leave of absence must be in exceptional circumstances and approved by the Headteacher. Parents can be fined by the local authority for taking their child on holiday during term time without consent from the school.

School monitors both attendance and punctuality . Please see school's Attendance Policy.
