## Community Day

### June 2025

A huge thank you once again to our Parents of Styal and their children who gave up their time on Saturday 28th June to get stuck in to some jobs that have helped to improve our school environment.

Mr & Mrs Chignell and Mrs Gaulton got stuck in too in the glorious sunshine.

It was a busy day, gardening, painting, tidying and repairing.

In just a few hours we:

- Cleared out, tidied and painted the book barn - a request that came from the children; they are very pleased to have it reinstated!
- Cleared out, reorganised and painted the Sparkle Room, creating a much more inviting working and learning space - a work in progress!
- Trimmed back branches and bushes, weeded and tidied the garden and under the picnic benches
  - Made repairs to the picnic benches
  - Added comfortable gripping tape to the monkey bars

Thank you to everyone who attended and helped - it really has made a difference. It has ticked some jobs off to help Mr Docherty too, who always has lots to do and works so hard to keep school ship shape!

### Headteacher's Award

Rupert consistently impresses me around school.

He is kind, polite, helpful and supportive to adults and to other children in school.

He always greets people with a smile and asks how they are and always gives 100% to his learning too.

You are an excellent role model Rupert, well done!

### Message from Mrs Gaulton

Well done everyone for another wonderful week in school. You have managed to keep going, even through the incredible heat this week, and continued to work hard, making continued progress with your learning.

We now approach the end of another academic year with just a week to go so lots to fit in before we break up for the summer.

Next week will see us celebrating our Year 6 children and we are all looking forward to the Y5/6 performance on Monday evening.

**Please may I remind you all to park safely and considerately if you join us Monday evening for the performance, making sure you adhere to parking restrictions in place.**

**Thank you.**

We also prepare to say farewell to Mrs Chignell as she also leaves us this term—I'm sure we will all make sure her final week with us is extra special.

Enjoy the sunshine over the weekend!

## Information from the Water Safety Team

### **Stay safe this summer**

Whether you're staying at home or going on holiday this summer, make sure you are being safe in and around the water.

### **What to do if you see someone in trouble**

**Shout** – "Are you in trouble? Can you swim towards me, or stand up?"

**Reach** – find a long object that you can let go of, to try and reach the person.  
Lie down or crouch so you aren't pulled in too.

**Throw** – throw something to help keep them afloat - throwlines (floating lines), footballs, and life rings are great options.

**Don't go** – Never go into the water yourself; keep eyes on them and call 999 immediately.

**If you're in trouble, Float to Live** - lie on your back, keeping your mouth above the surface, and try to gently move to safety. Stay calm.
