Parents of Styal

A huge thank you to **Parents of Styal** for their incredible work over the last academic year. Our school community have been so lucky to access such great events and activities.

With the support from our wonderfully generous families ...

Final total raised:
OVER £6,500!

Without these funds, we would not be able to offer nearly as much to our children in school.

We are incredibly grateful to all involved in the organising, planning and executing the discos and fairs, Christmas activities and of course the hugely successful Colour Run that made its debut last term.

Without the support of our families, these plans would not come to fruition so **THANK YOU** and here's to another successful year of fundraising.

Amazing Art Work

Super Art work from Olivia this week who has critiqued the Art work of William and May Morris and Rennie Mackintosh.

It is clear from her descriptions that Olivia favoured the work of Mae Morris and Rennie Mackintosh, giving a firm argument for their use of colour. I loved the way the work of Mackintosh was compared to stained glass windows we might see in a church.

Beautiful work Olivia, well done!

Message from Mrs Gaulton

Just a quick note from me this week to say how wonderful it has been to have the hustle and bustle of a busy school back! The children have all looked so smart and refreshed after their holiday and, popping in and out of classes over the last 3 days, I've seen calm and productive classrooms and children demonstrating a great attitude to learning.

Well done to our new Reception children and to Daisy in Y6 who won Headteacher awards this week for their superb behaviour. Thank you to our incredible team too!

Wishing you all a fabulous weekend!
